Please note: The entrance to the drive of Knowle House is at the corner of East Bank Road and Norfolk Park Road [note: it looks like the junction with Park Grange Road on the map below, as the map is slightly wrong].

Drivers: turn off Queens Road up Duchess Road, which passes between the old Ice Rink and B&Q. This bears right into East Bank Road, then turn first left into the bottom of Norfolk Park Road. Immediately on your right, before passing under the tramway bridge, there is a short drive [shown on the map], with a small Lodge House beyond it, leading up to the building. If the gates are closed, press the 'call' button to be admitted. There should be parking in the car park to the left of the drive – if not there is another small car park next to the Lodge House back down the drive.

Disabled Parking: there is limited space for parking close to the main building at the top of the drive – you reach the drive via the bottom gates only. Please ring the number above to make arrangements to use this, or if you need any assistance.

Buses: run to the junction of Norfolk Park Road and Park Grange Road, from Arundel Gate in the city centre, number 7 bus to Manor Top and Darnall. From the bus stop walk down to the main entrance gates.

Tram: the Park Grange Croft tram stop is marked on the map – from town, it is the stop after Sheffield College on the Herdings and Halfway line. On leaving the tram, if the top gates for Knowle House are not open, try ringing the number(s) above, or walk downhill until you see the bottom gates for Knowle House on your left, before East Bank Road.
